"Since They've Gone Home"

[IN MEMORY OF MY MOTHER AND FATHER]

The twilight shadows linger longer here,
The winter days make gray the circling year,
For even summer winds are chill and drear—
Since they've gone home.

The robin's note has a minor strain,
The old glad songs repeat a sad refrain,
And laughter soon with hidden, bitter pain—
Since they've gone home.

Since they've gone home—
How still the empty rooms their presence blessed;
Untouched the pillow their dear heads pressed;
My mourning heart finds no place for its rest—
Since they've gone home.

Since they've gone home—
The long, long days have crept away like years,
The sunlight has been dimmed with doubts and fears,
And the dark nights have wept in lonely tears—
Since they've gone home.

Such a token as this attests the profound respect that the whites have for the colored man who by honesty and industry conciliates their good favors. Messrs. Louis Lipaky and H. S. Shaw, were prominent figures at the funeral of brother J. E. Person. These distinguished personages exemplify the congenial link which binds the good white and black citizens of Fayette county to the chain of lasting friendship. Democratic Mass Meeting Held Monday.

One of the most harmonious democratic conventions that ever assembled in Fayette county met at the court house on last Monday. The purpose of the convention was to name delegates to the state convention which meets in Nashville on May 17 and to attend to any other matter that was for the good of the party in this county. A resolution was adopted appointing as delegates all democrats from the county who may attend the convention and instructing them to vote as a unit on all questions coming before the convention.

The resolutions also endorsed the administration of Woodrow Wilson as president of the United States and T. C. Rye as governor of Tennessee and instructed the delegates to vote for the renomination of Gov. Rye, W. D. Scruggs was endorsed for Secretary of state and J. B. Thomason for comptroller and Porter Dunlap for Treasurer. Hon. J. P. Matthews was recommended to the democrats of the tenth congressional district as a delegate to the National convention and T. R. Preston, W. H. Hartford, Judge A. S. Buchanan and Judge S. J. Everett were endorsed for delegates from the state at large.

The following resolution was passed: Resolved by the Democrats in mass convention assembled:

"First—That we do most heartily endorse the administration of Woodrow Wilson and commend his success in keeping this country out of war with all other nations of the world, and pledge and instruct our delegates to do all in their power to secure his renomination.

"Second—That we endorse the administration of Hon. T. C. Rye, governor of Tennessee, and commend him most cordially in his efforts to carry out the platform pledges set forth in the last Democratic convention, and we instruct our delegates to do everything in their power to secure his renomination for governor.

"Third—That we commend to the Democracy of the Tenth District Hon. J. P. Matthews as one of the delegates to the National Democratic Convention in St. Louis for the purpose of nominating Democratic candidates for president and vice president.

"Fourth—That having a majority of the votes which make it necessary to have a florial representative from Shelby and Fayette Counties, and having been denied any voice whatever in the selection of such florial representative since 1906, therefore we demand that Fayette County be permitted to name the candidate for said florial representative this year.

"Fifth—That we endorse the candidacy of our former countymen, Hon. W. D. Scruggs, for secretary of state, and most heartily and enthusiastically commend him to Democracy of other counties of Tennessee, and we instruct our senator and representative to do all in their power to secure his election.

"Sixth—That we commend to the Democrats of Fayette County and the entire state Hon. K. D. McKellar, nominee for United States senator, and pledge him our loyal and untiring support in the November election.

"Seventh—That we endorse Hon. J. B. Thomason for re-election as comptroller and the Hon. Porter Dunlap as treasurer, and instruct for their re-election.

"Eighth—That all Fayette County Democrats who attend the convention in Nashville on May 17 are hereby constituted delegates to said convention, and hereby instruct them to vote as a unit on all questions coming before the convention.

"Ninth—That we instruct our delegates to vote for the following delegates from the state at large to the national convention: Hon. T. R. Preston, Hon. W. H. Hartford, Hon. A. S. Buchanan and Hon. S. J. Everett."

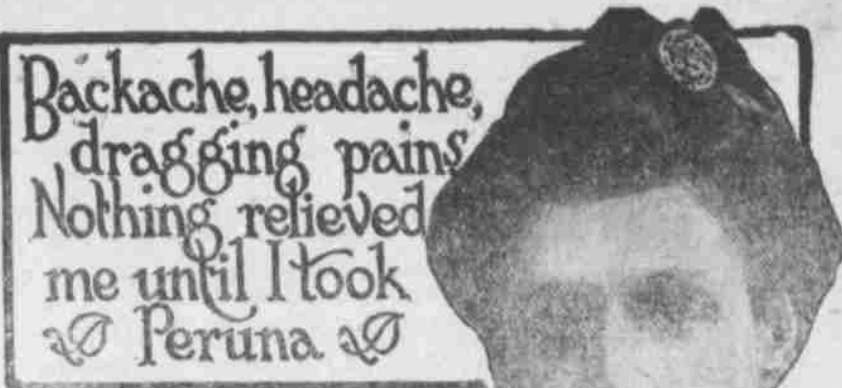

And after the adoption of the resolution W. T. Loggins was elected as florial committeeman from this county.

Told That There Was No Cure for Him.

"After suffering for over twenty years with indigestion and having some of the best doctors here tell me there was no cure for me, I think it only right to tell you for the sake of other sufferers as well as for your own satisfaction that a 25 cent bottle of Chamberlain's Tablets not only relieved me but cured me within two months although I am a man of 65 years," writes Jul. Groblien, Houston, Texas. For sale by all dealers. 5-1

Thousands of the best women in the world are bearing the burden of backache, headache, dragging pains, a miserable half-dead, half-alive condition, produced by chronic internal derangements. Mrs. Joseph Lacelle, 124 Glenora Ave., Ottawa East, Ontario, Canada, is one of the fair women of America who has had her experience with this sort of a burden. Her experience is similar to the multitude of other women whose letters are recorded in the "ills of Life." A copy of this free booklet ought to be in the hands of every housewife in the United States. Read what Mrs. Lacelle says:

"I suffered with backache, headache and dragging pains for over nine months, and nothing relieved me until I took Peruna. This medicine is by far better than any other medicine for these troubles. A few bottles relieved me of my miserable half-dead, half-alive condition. I am now in good health, have neither ache nor pain, nor have I had any for the past year. If every suffering woman would take Peruna, they would soon know its value and never be without it."
